

Parent Coordination

Many couples have a great deal of difficulty in reaching a resolution or agreement regarding parenting time/visitation, child rearing strategies, child rearing expenses and even custody. A Parenting Coordinator (PC), helps the couple to move toward improved communication and assists the couple in reaching agreement on current and sometimes pressing issues.

Sessions are generally 90 minutes and may be weekly, bi-weekly, monthly or according to court order.

Sessions are prepaid by retainer. No shows forfeit fees. Cancellations require twenty–four business hour notice or fees are forfeited.
